Dress the Hair

With Ayer's Hair Vigor, the classic hair beautifier, as the world well knows. Not only does it restore color to gray hair, but it makes the hair soft and lustrous, promotes its growth, prevents its falling out, and keeps the scalp healthy.

"It restores the original color of my hair, which had prematurely grayed. I used Ayer's Hair Vigor with excellent success. I absolutely credit to this

Efficacy

of this preparation."—Mrs. J. H. Cassidy, Adrian, Mo.

"I was afflicted many years with scalp disease. My hair was falling out and I was rapidly growing bald. I was induced to try Ayer's Hair Vigor, and in a few months the disease in the scalp disappeared and my hair promptly ceased falling out."—Mrs. C. A. Bowen, Fulton, N. Y.

"A few years ago I suffered the misfortune of my hair falling out. I used Ayer's Hair Vigor, and after a time secured a fine growth of hair. I started to use it when my hair was gray, and it restored the color. I would not be without it."—Mrs. Mary Hall, Rochester, Vt.
